Mutations in myotilin cause myofibrillar myopathy

In the article "Mutations in myotilin cause myofibrillar myopathy" (*Neurology* 2004;62:1363–1371) by Selcen and Engel, the authors have an incorrect mutation in the Table on page 1365, last column, last row. The nucleotide change should be C→T not C→G. The authors apologize for this error.
