## Neurology® Podcast

### Tau forms in CSF as a reliable biomarker for progressive supranuclear palsy

The weekly podcast of content from *Neurology* is located on the AAN Web site at [www.aan.com](http://www.aan.com). Select the “podcast” button in the *Neurology* section under Publications Highlights to subscribe to the podcasts or listen to an individual podcast.

This week’s podcast features an interview by Dr. John Morgan with Drs. Monica Di Luca and Alessandro Padovani about their paper on progressive supranuclear palsy.

## Neurology® Online CME Program

Earn CME while reading *Neurology*. This program is available only to online *Neurology* subscribers. Simply read the articles marked CME, go to [www.neurology.org](http://www.neurology.org), and click on CME. This will provide all of the information necessary to get started. The American Academy of Neurology (AAN) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians. *Neurology* is planned and produced in accordance with the ACCME Essentials.
