

Assessing structure and function of myelin in cervical spondylotic myelopathy: Evidence of demyelination

Neurology® 2018;90:200. doi:10.1212/WNL.0000000000004910

In the article “Assessing structure and function of myelin in cervical spondylotic myelopathy: Evidence of demyelination” by H. Liu et al.,¹ there is an error in the second author’s name, which should have read “Erin L. MacMillan” rather than “Erin L. MacMillian” as originally published. The authors regret the error.
