

Without Borders

From the Editor

Gretchen Birbeck, MD, MPH

Neurology Without Borders publishes experiences and perspectives from neurologists on global health research.

Recent blog posts cover the COVID-19 crisis, unmet health care needs in low- and middle-income countries, and epilepsy care challenges. Read the Without Borders blog to learn more about the complexity and multitude of challenges affecting global health.

In an Invited Commentary, “Reflections on the ineffective response to the COVID-19 pandemic in Nepal,” Drs. Ayush Chandra and Avinash write about how Nepal is struggling to combat the spread of COVID-19.

In another recent blog post, “Highlighting the unmet need for epilepsy surgery in rural China,” Dr. Birbeck writes about the need to develop systems of care that increase the accessibility of epilepsy surgery.

Other recent blog posts focus on how COVID-19 is rapidly changing the global health landscape.

Blog

The COVID-19 Invited Commentaries are available on the Without Borders blog along with other invited topical blog posts. [NPub.org/wbblog](https://www.neurology.org/wbblog)
