Disputes & Debates: Rapid Online Correspondence

The editors encourage comments on recent articles through Disputes & Debates:

Access an article at *Neurology.org/N* and click on "MAKE COMMENT" beneath the article header.

Before submitting a comment to Disputes & Debates, remember the following:

- Disputes & Debates is restricted to comments about articles published in *Neurology* within 6 months of issue date, but the editors will consider a longer time period for submission if they consider the letter a significant addition to the literature
 - Read previously posted comments; redundant comments will not be posted
 - Your submission must be 200 words or less and have a maximum of 5 references; the first reference must be the article on which you are commenting
 - You can include a maximum of 5 authors (including yourself)
-
